The Saxon Math series as a whole is hugely popular among homeschoolers. It is important to be aware that the Math Intermediate series (for grades three through five) and the series reviewed here (Math 5/4 and up) are very different from the Saxon program for K-3. One reason Math Intermediate and other Saxon courses for fourth grade and above are used by so many homeschoolers is that they allow ...

Saxon Math 5/4 through Calculus - Cathy Duffy

A video recording of a lesson on the weather in French for learners to study independently. There is a worksheet to complete after studying the video. It is a potted version of how I would teach the lesson in class, adapted to let students respond to it in their own space at home. The video is MP4 f...
