Style guide resources¶. Style guides have been around for as long as people have been publishing in any format. Older style guides originally intended for specific forms of print publication have become basic standards for many others to refer to, including documentarians:

Style Guides — Write the Docs

Create clear sections and headings. Decide what sections you think your style guide needs. Write clear headings for each of these sections, and establish a well-thought-out order for the sections. For instance, you may want sections on common mistakes, your organization's stylistic choices, tone, formatting, and preferred words and acronyms.

.
