Culture And The Death Of

Death has been personified as a figure or fictional character in mythology and popular culture since the earliest days of storytelling. Because the reality of death has had a substantial influence on the human psyche and the development of civilization as a whole, the personification of Death as a living, sentient entity is a concept that has ...

Death and culture - Wikipedia

Besides inhumation (the major custom of Chinese death culture), there are many other customs on disposing the dead, such as cremation, 'water burial', 'sky burial' (to let vultures eat the corpse), 'tree burial' (put the corpse on a big tree), 'cave burial' (put the corpse in a cave), 'cliff burial' (put the corpse on a ...

Chinese Culture on Death and Dying, Funeral Traditions of ...

A culture of life describes a way of life based upon the belief that human life at all stages from conception through natural death is sacred. It opposes the destruction of human life at any stage, including abortion, euthanasia, studies and medicines involving embryonic stem cells, and contraception. It also promotes policies that "lift up the human spirit with compassion and love."

Culture of life - Wikipedia
