The Qing dynasty was a Manchu-ruled dynasty, descended from the Jurchens which founded the Jin dynasty earlier. The dynasty embraced Chinese expansionism. By the late 19th century, in response to competition with other states, the Qing government of China attempted to exert direct control of its frontier areas by conquest or, if already under military control, conversion into provinces.

The history of the United States started with the arrival of Native Americans in North America around 15,000 BC. Numerous indigenous cultures formed, and many disappeared in the 1500s. The arrival of Christopher Columbus in 1492 started the European colonization of the Americas. Most colonies were formed after 1600, and the United States was the first nation whose most distant origins are fully ...
