The first generation 9-5 was SAAB's flagship model when it was released in 1997 (as a '98) in Europe, and 1998 (as a '99) in the US. It was the successor to the SAAB 9000, which sold very well by Saab standards, and production continued through 2009 when they released a new model under GM's supervision. The final worldwide production numbers of the gen1 totaled just under 500,000 units ...

### 10 Common SAAB 9-5 Problems - eEuroparts.com Blog

After the success of the Saab 900 and subsequent growth of the company through the late 90', our favorite car company came out with a completely new car in 2003, as a continuation of the 9-3 name. Commonly referred to as the Sport Sedan, 9-3ss, or 9440 chassis (as opposed to the outgoing 9400 body style), these cars are coming down pretty sharply in price.
