Who offers ultrafast broadband? A lot will depend on where you live and whose side you are on when it comes to defining the word 'ultrafast'. Virgin Media is the only widely available provider to offer speeds over 300Mbps – the accepted minimum to be labelled ultrafast according to Ofcom – while BT labels its own 100Mbps packages 'ultrafast'. There are also a number of much smaller ...

Insta360 has launched GO 2, a stabilized action camera that weighs less than an ounce (27g). Insta360 states that the GO 2 incorporates flagship performance and power into the world's smallest action camera. GO 2's ultra-light body (27g) allows for high-resolution hands-free recording without any of the bulk of traditional action cameras.
