From a logical point of view, the rule has been violated whenever someone goes to Boston without taking the subway. Hence the logically correct answer is to turn over the Boston card (to see if this person took the subway) and the cab card (to see if the person taking the cab went to Boston). More generally, for a rule of the form If P then Q, one should turn over the cards that represent the ...

What are some ways that we can gauge vocabulary development in the content areas? In this article, the authors explain how the intricacies of word knowledge make assessment difficult, particularly with content area vocabulary. They suggest ways to improve assessments that more precisely track students' vocabulary growth across the curriculum, including English language
