Smarter, Better Lists: Eighty percent of Walmart customers make a list before coming to the store, so we've made list-building within the app more convenient for you - like the ability to enter a custom term like “ milk ” (in other words, no need to pick an exact item match) and check item stock at your local store. The total cart - plus tax - will now be calculated as you make your list, allowing you to see the cost of your basket before even stepping foot inside the store.
