Love encompasses a range of strong and positive emotional and mental states, from the most sublime virtue or good habit, the deepest interpersonal affection, to the simplest pleasure. An example of this range of meanings is that the love of a mother differs from the love of a spouse, which differs from the love of food. Most commonly, love refers to a feeling of strong attraction and emotional ...

Love - Wikipedia

A mother's love helps her do the absolute best she can, and that's good enough. The love of a mother nourishes her baby at her breast day to day - sometimes hour to hour - though she hasn't had a full night's rest in years.. The love of a mother accepts her child needs more nourishment and nutrients than she has to give, and thanks God that sometimes formula is best.
